*=Price list of flower bulbs=*

"CALIFLORA" REPORTER - January 10th, 1948

All prices and varieties are listed in our winter and spring catalogue sent to you December 1st. If you have lost your copy please ask for another.

REGALE LILIES - We have a nice stock of these Oregon grown bulbs.

Sizes -	6/7	7/8	8/9	9/10
Price per 100-	\$ 9.50	12.00	15.50	21.50
Price per 1000-	90.00	115.00	150.00	

CALADIUMS - All orders for January delivery have been filled. Receiving orders now for your Mother's Day plantings. We have a nice supply of excellent bulbs. Immediate shipment.

GERBERAS - We start to ship our wonderful "Califlora" Gerberas January 15th, and although our crop is larger this year, it will soon be sold out. Order now and state delivery date.

GLADIOLUS - At present we have a complete stock of large #1 size bulbs. These are young bulbs, 2 years from bulblets. Send us your reorders for immediate shipments. See catalogue for list.

DAHLIAS - Our excellent Oregon tubers are listed in the December 1st catalogue we sent you. Many customers forgot to order them last year until too late. Get your order in now for February delivery.

AMARYLLIS HYBRIDS - We can ship immediately these Giant "Califlora" Hybrids. Sure to bloom this year.

2½-2¾" at \$27.50 per 100  
2¾-3" at 35.00 per 100

RANUNCULUS Tecolote Giants - We still have a few thousand of the ¾-1" and 1-1½" sizes available.

VALLEY PIPS - Will go forward about January 20th.

T. R. BEGONIAS & GLOXINIAS - are now being graded and we hope to start shipping orders the latter part of this month. Comparative tests by many nurseries the past two years show "Califlora" Begonias so far superior in size, quality and color of flowers to the imported strains that we decided not to sell any imported Begonia tubers, even though they can be delivered earlier than the California strains.

YELLOW CALLAS - We still have a few hundred nice late dug bulbs, 2-2½" at \$15.00 per 100.
